A PRETTY POSTMISTRESS NARROWLY ESCAPES DEATH.

Was Given Up to Die—Eight Doctors
Failed—Peruna Saved Her Life.

THOUSANDS of women suffer from
systemic catarrh. This is sure to
produce such symptoms as cold feet
and hands, sick headache, palpitation
of the heart and heavy feelings in the
stomach.

Then begins a series of experiments
with medicine. They take medicine for
sick headache. They take medicine for
nervous prostration, for palpitation of
the heart, for dyspepsia. None of these
medicines do any good because they do
not reach the cause of the complaint.

Peruna at once mitigates all these
symptoms by removing the cause.

Systemic catarrh is the trouble. Systemic
catarrh pervades the whole system,
deranges every organ, weakens
every function. No permanent cure can
be expected until the systemic catarrh
is removed.

This is exactly what Peruna will do.

Miss Alma Cox, Assistant Postmistress
of Orem, U. S. C., writes:

"I have been a great sufferer from
chronic disease and dyspepsia for five
years. How I suffered no tongue can
tell. I tried eight or ten of the best phys-
icians without receiving much benefit,
also tried lots of patent medicines. But
still I suffered with sick headache, cold
feet and hands, palpitation of the heart,
and such a heavy feeling in my stomach
and chest. At times I would be so nervous
I could not bear anyone around me.
I had been given up to die.

"One day a friend sent me one of Dr.
Hartman's pamphlets, and I decided to
write to him. He advised Peruna and
Manslin, and after taking the medicine
two weeks I felt greatly relieved. My
head did not pain me any more, and my
stomach was relieved of its heavy

feeling. I am so thankful that I can say
after using several bottles of the Peruna
and Manslin I am restored to perfect
health.

"Before using your remedies I could
not eat anything. I lived on barley
water and Panopein for two years.
Now I can eat with pleasure. Every-
body is so surprised at my improvement.
Everyone says I am looking like a rose.
I would advise all suffering women to
take your remedies. I know if it were
not for Peruna and Manslin I would
have been in my grave to-day. I cannot
thank you enough for the kind advice
you have given me."—MISS ALMA
L. COX.

Senator M. C. Butler, ex-Governor of
South Carolina, writes from Wash-
ington, D. C., the following:

"I can recommend Peruna for dys-
pepsia and stomach trouble. I have
been using your medicine for a short
period, and I feel very much relieved.
It is indeed a wonderful medicine, and
besides a great tonic."—M. C. Butler.

Peruna restores health in a normal
way.

Peruna puts right all the mucous mem-
branes of the body, and in this way re-
stores the functions of every organ.
